

See below for a list of common acceptable kosher symbols and contact information.

If you have a question about a symbol which doesn't appear on our list, please send an email to: [info@crckosher.org](mailto:info@crckosher.org) The fact that a particular agency does not appear on this list does not imply that the cRc has determined it to be substandard.

Please note that determining the acceptability of a kashrus agency is a complicated and difficult process, requiring much time and research. For further details, please see [Understanding the Reliability of Kosher Agencies](#), by Rabbi Sholem Fishbane. The cRc keeps strictly to halachic/kashrus criteria alone in making these recommendations, in keeping with our adherence to Torah values.

**Note:** There are four areas of kashrus that require extra diligence and research even when bearing a recommended kosher symbol. These four areas are: bagged vegetables which need to be checked for insects, meat, Pesach hotels, and cruises.

The list is updated regularly so please check back periodically for updates.
